

Sherborne Castle Country Fair & Rare Breeds Show

Organised by volunteers raising funds for Children's Charities Bank
Holiday Monday 30th May 2011

It's only the people who were not too happy about the rain at the Fair on Bank Monday this year, the animals are used to it! But despite the rain the organisers want to thank all their exhibitors and helpers who braved the weather. It was a near 100% turn out. Congratulations to the winners both long term supporters and new competitors.

Particular congratulations go to our young champions: new entrant Will Glover (13 yrs) who won the cattle championship with his Longhorn heifer Longash Kayleigh, and to Jack Rashley (15 yrs) who has been exhibiting for several years and won the Portland Sheep classes with his ewe Valentine Zoe. And to our other young exhibitors, Will Sully with his Oxford Sandy and Black Pigs and all the entrants to the young handler classes.

The Rare Breeds Survival Trust hope the public enjoyed seeing their animals and if you would like to know more about them please contact Rosemary Lovegrove on 01935 891415 or go to the RBST national website www.rbst.org.uk
